REASONS FOR ALLOWANCE

Claims 1-4 are allowed.

The following is an examiner's statement of reasons for allowance:

The subject matter of the independent claims could either not be found or was not suggested in the prior art of record. The subject matter not found was the system comprising flexible transfer tubing coupled in-line with a second container defining an air reservoir, both the tubing and container including a peripheral wall made of flexible plastic material, and wherein the flexible transfer tubing including an air tube extending a certain distance into the air reservoir and creating a space between the peripheral walls of the second container and the air tube, the air tube and the space being sized and configured to contain an incremental volume of air for the system so that the collapsing and sticking together of the peripheral walls of the flexible transfer tubing and of the second container are prevented during heat sterilization in combination with the other elements (or steps) in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
